

## TERMS OF REFERENCE

### 20's Plenty for Faversham Committee

The committee will be subject to the general terms of reference for committees, together with the following:

1. To plan and prepare for the implementation of a 20mph speed limit across Faversham, with the aim of improving the safety of all road users.
2. Take steps to implement the public consultation in accordance with KCC guidelines.
3. To identify potential sources and amounts of funding available for the scheme.
4. To be clear which roads are ready for 20mph implementation without traffic calming.
5. Identify roads that require traffic calming to be implemented before becoming 20mph. Plus the cost for each individual road / traffic calming scheme.
6. To determine the overall cost of the whole scheme.
7. Review budget for scheme verses the total cost of the scheme.
8. If the budget dictates, determine options for a phased implementation of the 20mph town wide scheme, and the cost of each phase.
9. Make recommendations and options to the full town council for consideration and approval.
10. To acknowledge and take into account, feedback from a wide range of residents across the whole community of Faversham.
